Medical Care Group Bonus

Blue Cross Complete is offering Medical Care Groups a population-based incentive opportunity for HEDIS performance. The populations have been divided into three different categories:

1. Adult access to care
2. Child access to care
3. Pregnancy care

Medical Care Groups must have a minimum of 250 members in order to be eligible for the bonus opportunity.

In order for Medical Care Groups to earn the bonus, each measure within the population must meet either the 75th or 90th percentiles.

Special Quality Bonus Details:

Goal	Bonus Amount
75 th percentile	\$3 pmpm* per measure for measure denominator
90 th percentile	\$6 pmpm* per measure for measure denominator

**per member per month*
